

STAT

The following issues should be considered at the preliminary meeting on 25 January 1982 concerning implementation of NSDD-19.

- °The adequacy of Agency regulations  on matters relating to contacts with the news media. Should the regulations be modified or expanded?
- °The role of the Public Affairs Director as the focal point on matters relating to the press.
- °The role of the four Deputy Directors in "approving" contacts with the press -- both official and unofficial.
- °The role of the Office of Security in investigating substantive leaks of sensitive classified information.
- °The impact of the National Security Council cover sheet relative to our polygraph program. Does it change anything at CIA where we have an ongoing program? Is there a need for documenting security files on all press contacts, so that we are better prepared in connection with leak investigations and RIP polygraphs?
- °Does implementation of the Directive include advising everyone who receives sensitive intelligence that a leak may make them subject to a polygraph exam?
- °Does the NSC intend to place their cover sheet over existing SCI system cover sheets? Will they assign new document numbers?
- °The role of the Security Committee with respect to the Intelligence Community.
- °The need to discuss aspects of this program with Bob Gates, who was in on the development of these new White House initiatives.
- °There is a requirement to forward draft implementing instructions to the National Security Council no later than 15 February 1982. Should this go to the Executive Director or the Executive Committee?

SENSITIVE COMPARTMENTED INFORMATION NONDISCLOSURE AGREEMENT

An Agreement Between \_\_\_\_\_ and the United States  
(Name - Printed or Typed)

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to information protected within Special Access Programs, hereinafter referred to in this Agreement as Sensitive Compartmented Information (SCI). I have been advised that SCI involves or derives from intelligence sources or methods and is classified or classifiable under the standards of Executive Order 12065 or other Executive order or statute. I understand and accept that by being granted access to SCI, special confidence and trust shall be placed in me by the United States Government.
2. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of SCI, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information have been approved for access to it, and I understand these procedures. I understand that I may be required to sign subsequent agreements upon being granted access to different categories of SCI. I further understand that all my obligations under this Agreement continue to exist whether or not I am required to sign such subsequent agreements.
3. I have been advised that direct or indirect unauthorized disclosure, unauthorized retention, or negligent handling of SCI by me could cause irreparable injury to the United States or be used to advantage by a foreign nation. I hereby agree that I will never divulge such information to anyone who is not authorized to receive it without prior written authorization from the United States Government department or agency (hereinafter Department or Agency) that last authorized my access to SCI. I further understand that I am obligated by law and regulation not to disclose any classified information in an unauthorized fashion.
4. In consideration of being granted access to SCI and of being assigned or retained in a position of special confidence and trust requiring access to SCI, I hereby agree to submit for security review by the Department or Agency that last authorized my access to such information, all information or materials, including works of fiction, which contain or purport to contain any SCI or description of activities that produce or relate to SCI or that I have reason to believe are derived from SCI, that I contemplate disclosing to any person not authorized to have access to SCI or that I have prepared for public disclosure. I understand and agree that my obligation to submit such information and materials for review applies during the course of my access to SCI and thereafter, and I agree to make any required submissions prior to discussing the information or materials with, or showing them to, anyone who is not authorized to have access to SCI. I further agree that I will not disclose such information or materials to any person not authorized to have access to SCI until I have received written authorization from the Department or Agency that last authorized my access to SCI that such disclosure is permitted.
5. I understand that the purpose of the review described in paragraph 4 is to give the United States a reasonable opportunity to determine whether the information or materials submitted pursuant to paragraph 4 set forth any SCI. I further understand that the Department or Agency to which I have submitted materials will act upon them, coordinating within the Intelligence Community when appropriate, and make a response to me within a reasonable time, not to exceed 30 working days from date of receipt.
6. I have been advised that any breach of this Agreement may result in the termination of my access to SCI and retention in a position of special confidence and trust requiring such access, as well as the termination of my employment or other relationships with any Department or Agency that provides me with access to SCI. In addition, I have been advised that any unauthorized disclosure of SCI by me may constitute violations of United States criminal laws, including the provisions of Sections 793, 794, 798, and 952, Title 18, United States Code, and of Section 783(b), Title 50, United States Code. Nothing in this Agreement constitutes a waiver by the United States of the right to prosecute me for any statutory violation.
7. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I have been advised that the action can be brought against me in any of the several appropriate United States District Courts where the United States Government may elect to file the action. Court costs and reasonable attorneys fees incurred by the United States Government may be assessed against me if I lose such action.
8. I understand that all information to which I may obtain access by signing this Agreement is now and will forever remain the property of the United States Government. I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials, which may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the United States Government entity providing me access to such materials. If I do not return such materials upon request, I understand this may be a violation of Section 793, Title 18, United States Code, a United States criminal law.
9. Unless and until I am released in writing by an authorized representative of the Department or Agency that last provided me with access to SCI, I understand that all conditions and obligations imposed upon me by this Agreement apply during the time I am granted access to SCI, and at all times thereafter.
10. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect. This Agreement concerns SCI and does not set forth such other conditions and obligations not related to SCI as may now or hereafter pertain to my employment by or assignment or relationship with the Department or Agency.
11. I have read this Agreement carefully and my questions, if any, have been answered to my satisfaction. I acknowledge that the briefing officer has made available Sections 793, 794, 798, and 952 of Title 18, United States Code, and Section 783(b) of Title 50, United States Code, and Executive Order 12065, as amended, so that I may read them at this time, if I so choose.
12. I hereby assign to the United States Government all rights, title and interest, and all royalties, remunerations, and emoluments that have resulted, will result, or may result from any disclosure, publication, or revelation of information in this Agreement.

13. I make this Agreement without any mental reservation or purpose of evasion.
